MEMORANDUM FOR: Chief, Budget Division

SUBJECT: Estimated Foreign Intelligence Costs

REFERENCE: Draft Memo for the United States Intelligence Board, Dated 10 April 1959, Signed by E. R. Saunders

It is my understanding that the Comptroller's Office plans to insert the Agency's costs into the format proposed by the above referenced memo. We have no particular comments on the format except that as the present headings are defined the placement of PIC, ONE and OCI would appear difficult. Obviously some arbitrary decision would have to be made.
